Dear Madam,

We appreciate your response to our mail. Please find the details below for the Internship program.

Company Name: **BlitzJobs** (under 7X Ventures)

website - <http://blitzjobs.in/>

Duration: 2 months

Date of joining: 1st June 2020

### Perks for the candidates

- \* Internship Certificate
- \* Letter of Recommendation
- \* Appreciation Certificate

**Note-** This internship will be considered as a pre -evaluation parameter for candidates to hire them permanently based on their performance. Candidates will not be paid any stipend and will work from home during Internship.

There is no specific academic criteria for any of the requirements. The students can choose to apply for this internship irrespective of their current graduation or post graduation year(I year, II year and so on). However, we would judge the candidates on the basis of their exposure and interest to the available roles.

Available Internship Roles:

### Project 1- Marketing analysis + Digital Marketing

Marketing Analysis- Candidates will be provided with the survey link which they need to forward to customers. On the basis of that survey they will define the marketing strategies need to be adopted for Blitzjobs.

Digital Marketing- SEO AND SMES, Managing the platforms of social media pages and working on keywords.

## Project 2- HR Generalist

Hiring of the candidates for Marketing Internships

On-boarding

Time Attendance

Induction

Working on the HRMS Portal

Exit Formalities.

## Project 3- Data Analytics

Work on advanced analytics areas like deep learning and complex statistical data analysis

Interaction with clients in person meetings towards making business recommendations with effective presentations of findings, visual displays of quantitative information

Develop analysis, forecasting and optimization methods/models to provide the business solution to the clients.

Research and develop internal capabilities to enhance the skill-sets on latest data science developments, work towards producing innovative solutions to the existing challenges. Ultimately, you'll build highly responsive web applications that align with our business needs

We would like you to share a list of candidates who are interested in the internship program along with their **resume** and their **preferred internship role** by **tomorrow, 12th May 2020 before 2 pm**. We will then shortlist candidates based on their resume for a telephonic interview round. Candidates will be finalized for this internship program based on the telephonic interview.

You can always reach out to us for any queries.

Regards,

Shailesh Bawankar

Dear Shailesh,

I'm writing to you in continuance to the trail email. It would be appreciated if you could kindly address the following queries:

1. What will be the tenure of the internships?
2. What would be the process for selection?
3. What is the deadline to send the list of students?
4. Would you like us to send a list of the interested candidates or you would need CVs and other details?
