Hello Vinaya

Greetings from Data Entrega.

Hoping you are doing well.!!

I received your contact information from Ashish Kulkarni who is an employee with Data Entrega.

I was trying to reach out to you over the phone number. But as Ashish mentioned you are in lectures and cannot answer the call.

This email is regarding internship program for the students. Just to give you a brief idea.

We are planning to sponsor an internship program for your college students who all are planning to pursue **MCA / PG Diploma** and who are pursuing **BCA** and we will soon start their internship period for the last semester.

To understand the student's requirement, we would require the below-mentioned information.

Before we start, if we can have an official call would be great, this would make it easy for us both to understand the program.

Please do let me know, when I can call you to discuss further.

Required information for Company;

Information required from company to college:

1. A number of students pursuing BCA/MCA/PG Diploma.
2. Required Branch/Stream of the Students.

The company needs the below details from the college:
