

Students seeking admission to BMS course should go through the following regarding apprenticeship. The following undertaking must be signed by students & parents before taking admission to the course.

- a. The Programme is embedded with different spells Apprenticeship Training of six months each as notified in the Curriculum, and that the Apprenticeship Training is a necessary and compulsory component of the curriculum.
- b. The student cannot avoid Apprenticeship Training, as the Training is a compulsory Core Course.
- c. The student needs to undergo Apprenticeship Training only after completion of the entire duration of the degree (3 years), if I missed completing any spell of Apprenticeship for any reason.
- d. Successful completion of the Apprenticeship Training as notified in the Curriculum is necessary to qualify for the degree.
- e. The student must take up Apprenticeship Training in third year whichever company and location allotted to the student by LSC.
- f. If, for some compelling reasons, the student is unable to take up Apprenticeship training in faraway places/cities. Student is aware that he can identify appropriate companies as per norms located closer to the student's location where he lives and take the support of LSC to explore the possibilities of getting Apprenticeship Opportunities in the identified company.
- h. The Apprenticeship Training, is a legal engagement under Apprentices Act, can be arranged only by LSC for this Programme.
- i. Arranging for boarding, lodging, and transportation during Apprenticeship Training at the allotted location is the student's individual responsibility.
