Dear Ma'am

Gera Developments Private Limited has been in the Real Estate domain for over 45 years. We are best described as creators of premium residential and commercial projects across Pune, Goa and Bangalore.

Our effort to always be the ones to break category convention has led us to achieving several verifiable firsts in the Real Estate space. Just a few of these are the 5-Year warranty on Real Estate – consisting of preventive maintenance and repairs – An absolute first in the country. The next is the building of India's first ChildCentric™ project and of course Industry landmarks such as the Re-measurement Clause and the Free-look period.

In our continuous effort to better every manoeuvre, we decided to put our belief system out there positioning as well as branding it in a single word 'OUTDO'. This word encapsulates the philosophy that drives Inventions and Innovations. It is the knowing of what has been done, however excellent it might be is in the past. It is the need to 'OUTDOING' in the future that is most important as we continue to relentlessly pursue the achievement of several more benchmarks in raising the standards of Real Estate in the country.

As an organization we drive a culture that supports innovation, enables individuals and teams to OUTDO, create platforms for Leaders to develop and drive high performing teams.

Through our Campus Engagement program we wish to engage with your esteemed campus and reach out to the youth of this country. Our connect program is to engage for internships/ campus placements with your esteemed institute to hire bright talent for our organization.

**We are looking for Customer Relationship interns for managing the customer experience and who would be willing to join us on 9th October for a period of 3 months. Post 3 months, we will be evaluating their performances to determine how would they fit in our organization as full time employees.**

**The stipend for the interns would be Rs 15,000/- per month. The candidate has to be well versed in English and Marathi.**

Request you to share profiles of students for the role to create best opportunities for the talent by orientating them through the campus program.

Awaiting your response.

Thanks and regards,  
Asawari Gaikwad
