Respected Sir,

Greetings from BMCC and wish you a happy and prosperous new year !!

This is Nilofar Agnihotri, Placement Officer, BMCC, Pune.

As per your telephonic conversation with Dr. Ashish Puranik, Vice-Principal, BMCC, I am sending you this mail. Please go through the attachments, in which BMCC students details are given and even attached one letter from BMCC.

I here by request you to provide a chance to BMCC students to work at Janseva Bank in the form of Internship and to learn all kind of banking work, which will make students practically aware about banking and its work. It would definitely be useful for them for their future. I request you to please provide them a Certification after completion of their Internship. And if you find any student capable enough, please provide them a chance of Apprenticeship at your bank.

Allaying with Janseva Co-op Bank Ltd, Pune will be a great pleasure for BMCC.

I would like to discuss further about it. Can you please send details about how many branches Janseva Bank is having and how many students can be accommodated for Internship and from when can we start it, so that I could do the arrangements.

And please let me know about one POC or Point of Contact with whom I can discuss the further details.

Looking forward for Internships for students at Janseva Co-op Bank.

Thanks and Regards,

Nilofar Agnihotri
