To: nilofar agnihotri <nilofaragnihotri.bmcc@despune.org>

Dear Nilofar,

Thank you for writing to us. Further to our earlier communication wanted to convey to you that, we need two interns for a period of three months to help in the UNDP survey. In the current scenario the role will be tele-calling and filling in Google sheets.

Depending on the time available with them, we can give them additional assignments. Experience Certificate and a stipend of Rupees 2000/- will be awarded for the complete project.

Synopsis of the current assignment is below.

Workforce Demand Mapping and COVID-19 Impact Survey

MCCIA, MASSIA, CMIA and Laghu Udyog Bharti in collaboration with UNDP have launched a Survey of Maharashtra on the 'Workforce Demand Mapping and Covid-19 Impact on MSMEs. The MSME sector which forms the backbone of the Indian economy has severely been affected due to the pandemic. As MSMEs are going through the process of revival, the survey aims to understand the impact of Covid-19 in terms of its operations, loss of revenue, major challenges faced etc. The study also focuses to capture the manpower requirement of organisations with respect to the kind of labour needed (skilled, managerial technical etc), desired qualifications, experience etc.

Please let us know if any of the students will be interested in this project. I will connect them to the project owner to take this further.

Thanks & regards,

Satavisha Natu

Deputy Director
