Stakeholder Feedback- Action Taken Report

The institution takes regular feedback from our stakeholders and works on the suggestions received from them. The following table gives the year wise suggestions received and action taken on the same:

2017-2018		
Sr. No	Suggestions	Action Taken
1.	Inadequate number of computers/ Need to set up additional Computer Lab to cater to the need of our students	New Computer Lab was developed containing 100 computers.
2.	The demand to start some extra credit courses which will give finesse to skills of the students and will also add credits in the academics.	Value added courses under the Experiential Learning Board have been launched
2018-2019		
1.	Tie-ups with some professional institutions.	MOUs have been signed with ISDC for ACCA and Institute of Management Accountants for US-CMA for B.Com Program.
2.	E-learning resources in the library to be enhanced.	The college has taken subscriptions for online books and provided the access to the staff and students to widen the scope of learning.
2019-2020		
1.	To have ICT enabled classrooms.	Projectors and white boards in the classrooms were upgraded to smart boards. Later, installation of Intellectual Interactive Panels was discussed. Demos were arranged and IIPs of Senses company were finalized and installed in all classrooms
2.	Demand to start Apprenticeship based degree programmes.	Apprenticeship Based Program titled BMS (E-Commerce operations –Logistics and Supply Chain Management) was launched. A MoU with LSC is signed to that effect

2020-2021		
1.	To inculcate multi-disciplinary approach in academics	As an autonomous college, we have to design our own syllabus and credit structure. Value added courses from different disciplines have been offered to the students. All the degree programmes have taken care to include multi-disciplinary component in the syllabus. Courses on environmental science, human rights, cyber security are offered through the curriculum
2021-2022		
1.	To start with some more professional courses.	Apart from the existing professional courses like BBA, BBA-IB, BBA-CA the demand for starting with some more professional courses was found and hence we launched with two new programs B.Com (Honors) and B.Com (FinTech).
